Hi Pete,

I really had an awesome time at Beginnings and learned a lot. I even made a new friend near where I live. We got together this weekend and went skating. It was fun talking to him about the time we spent there.

Hey I did not get my photo shoot pictures yet? Is it too soon? I am going to an audition this week and one next week and was hoping to have headshots to bring.

I really hope you invite me back next summer now I know what to expect it will be even better than this time.

Talk to you soon,

Nick Cavallo
