Dear Peter,

Our daughter, Summer Herzfeldt, had a wonderful experience at the August workshop. Words are not enough to thank you for all you've done. She loved every part of the workshop; the classes, chaperones, special events, her coaches, the food, the Showcase-everything! Thank you, thank you, thank you!

Being from a fairly small town, it is sometimes hard to find opportunities beyond locally sponsored activities to do what she has always loved-performing. Beginnings was a huge opportunity for her. What an incredible experience!

Summer was so excited to be invited to the mini workshops and to London. Ofcourse she wants to do everything. After much discussion over the weekend, we came up with what would be feasible financially for us right now. We are going to apply for the October and December minis. Since we are allowing two, if accepted and in on time, Summer will be working hard to pay for some of it! She'd love to do London. If the opportunity arises next year, we will plan for it then.

Now, for my question. Seeing these minis fill up fast, do you recommend I send a check over night mail, or do you think I'll be okay sending the check tomorrow, regular mail? Let me know what you think.

THANK YOU, AGAIN, FOR EVERYTHING!

Laurie and Dennis Herzfeldt
