Dear Peter

I wanted to thank you for what you did for London.  
She really enjoyed last summer's experience, as did all my dancers who went.  
She wanted to return so badly this year, but with us being strapped for cash  
this year, we have to forego such notions. Next year for sure, We hope.

Danielle says she is very excited about this coming summer.

She now teaches for me at the studio.

I have to tell you, the opportunities you gave her have transformed her. This  
time last year, I would have laughed if someone were to mention the words  
Danielle Tucker and responsible in the same sentence. But no longer. She is  
someone I am very proud of and I have you and those you pick to work with  
these young persons to thank for it.

I would like to be kept in mind for possible contacts in this area for  
opportunities. And I would like information on the different things you offer.

Thanks a bunch Peter  
And have a GREAT spring!!

Noelle Sindelar
