Dear PDawg (Dr. Tofu),

Whats up?!! I had an awesome time at the workshop! I absolutely loved it! I was wondering if you could give me the email addresses of Christopher Harrington (chaperone) and Rick (head chaperone)? Also I was wondering what kind of chocolate you have and where to order it from. I hope you invite me to one of your mini workshops and another beginnings workshop.

Talk to ya later. See ya!

Jay Reist
