to me

Dear Peter,

I didn't have the opportunity to talk to you at the showcase on August 8th as you were busy dismissing students, however I wanted to take the time to write a sincere thank you for the experience my daughter had at your workshop. She came home on cloud 9 and remains there, which motivates my husband and me to allow her to participate in your subsequent workshops.

I wanted to include the positive impact that Ernesto Rosas had on my daughter's life. He touched her soul in such an impactful way, and showed her what true passion is. Please pass this message along to him. I sincerely appreciate it.

Again, thank you, and looking forward to seeing you again.

Sincerely,

Heidi Keller
