Peter,

Tammy and I want to thank you for working with Brandon this past summer. He enjoyed both the mini workshop and the June workshop so much. He learned a great deal from both and hopefully he will use that knowledge as he matures into adulthood. We want to thank you for looking after him and taking care of him on the various trips he has gone on with you and your staff. He always enjoys himself and learns so much. Thank you again for the time you have taken with him now and in the future. Brandon looks forward to working with you again in the future.

Thank you,  
Ray and Tammy Patterson
