Dear Peter,

Thank you for my wonderful experience at Beginnings. I had a lot of fun and I learned a lot. I liked my instructors, my chaperones and my fellow students. I learned a lot about acting that I never would have learned if I didn't go to Beginnings. I loved my classes. I loved all my instructors plus Tracy, Sutton, Lawrence, and Robin. Thank you for inviting me so I could have a fun and successful time! At first I thought the food was disgusting but I got used to it. I thought it was a wonderful experience and I would recommend Beginnings Workshop to anybody who wants to be successful in the performing arts!

Thank You,
