Dear Mr. Sklar,

Thank you kindly for inviting my daughter, Kyrea Eubanks to your workshop, the moment she walked onto the stage, as her parent I could see something different about her. She had an incredible "glow" about her. It was pleasing to see the confidence she came back with! She seemed to have this aura about her that made my heart smile. Kyrea said everyone was most hospitable! I truly appreciate the experience you gave her and we will be forever grateful to you, her instructors and coaches, chaperones as well as all of your staff.

Respectfully yours,

The Eubanks Family
