

Dear Peter,

As you might remember I came to you homesick and crying.

I would like to thank you so much for helping me, and being like the father for me.

I really needed someone to cry on, and comfort me! You

helped me stay here, and not go home where my parents would

get so mad at me!! I'm very glad I stayed here. This will definitely have an effect on me.

I'll be sure to IM you the

computer, if I ever need help

or advice! Thank you <sup>for</sup> everything!!!

Your doing a great time with

your workshop! THANK YOU SO MUCH

FOR EVERYTHING!!

Love,

Jaciyn Wavra
