

Dear Peter Sklar

Thank you so much for inviting me to this amazing workshop I have learned so much, had so much fun and even gained more confidence. This has definitely been a mind blowing experience. I definitely want to continue working on my dance skills so I can get closer and closer to a tripple threat.

Someday I want to be on Broadway and with your help I think I can make it.

PS. TRUTHFULLY I loved the food

Again thank you so much,

Shayla
