Hi Peter,

We wanted to say thank you for inviting Liam to the workshop in New York and for all your work in putting this experience together every year. We are leaving tomorrow on a long awaited family vacation for the rest of the month (return September 2nd) so I am glad we were able to fit in his experience in New York. Liam had an absolutely amazing time and I'm sure we will be hearing about it for many more weeks as he continues to absorb the many wonderful moments.

Thanks again,

Jennifer & Carl Cox
