Hey Pdawg,

This is Jillian Campbell from the New York August Beginnings. I just wanted to say that I had an absolutely, positively supercailfragalisticxpalidocious time! I also wanted to say that anyone from beginnings who wants my email address or street address can have it. I want to keep in-touch with everyone.

Thanks so much,
Jillian

Building a website is a piece of cake. Yahoo! Small Business gives you all the tools to get online.
