Peter,

Motoki had a fabulous London experience, and we've enjoyed hearing all of his stories. He was eager to teach his sister a song, reprise a couple of role plays, give us a number of nutrition tips, describe some of his new friends, and show us LOTS of pictures. Though allowing him to travel so far away on his own was scary for us as parents, we are extremely grateful to you for opening up this opportunity for him. Thank you for taking good care of him.

His sister is getting more and more excited about New York in June!

Warmly,
Mitch Maxted
