Hi Mr. Sklar, I just wanted to thank you very much for allowing me to have the opportunity to be with you and all the other amazing lecture people and agents/managers! This has been an incredible experience that I hope will lead into something larger in my career. I'm so glad I got interviewed because I've learned so much in the past week that I would've never known thanks to you and your team! I hope I get to be considered for the workshops furthermore in the future but if not, I would like to thank you for this chance to be apart of Beginnings Academy!
